- Shear-cut knives give clean, smooth and easy cut, excellent for pallets, loading cars, trucks, ships and recycling yards.

Tool No.	-L-	Cutting Capacity	Weight Kgrs.
		Flat Steel Strap	
SS 600-SS	600mm	51mm × 1.3mm or 32mm × 1.2mm × double	3.0

**<Features of Sliding Striker>**

- As for the conventional product for steel Strap Cutter, it is necessary to hit the end of handle by Hammer, for biting the blade of Steel Strap. However, our new product, SS 600-SS includes Hammer function (Sliding Stricker). The work efficiency of the workers who utilize this function will improve.
