

HIT Aluminum Motor Wrench Minor Update

The jaw cover for all AOM 68 series had a minor update.

Previous color: **Silver**

Current color: **Yellow**

This minor update is applied to **AOM 68**, **AOM 68-G** and **AOM 68-V**. The update is only changing the color, which is NOT affect the performance of the product.

We will provide the product with **yellow** jaw cover, however previous version product may be found in the market.
