

HIT Soft Face Hammer SFH-10

Item No.	Total Length	Total Weight	Head Dia.	Head Length
SFH-10	330mm	770g	49mm	100mm

- Dead-blow hammer with a polyurethane-coated head.
- Polyurethane provides better oil resistance, helping reduce deterioration and extend service life.
- Ideal for machine installation and maintenance. Also suitable for sheet metal work, woodworking, and DIY projects.

* What is "Dead-blow Hammer"?

Unlike a solid hammer, its features a hollow head filled with specially weighted material that moves during impact. This helps absorb shock, reduce rebound, and deliver smoother, more controlled strikes.
